

ST PATRICK'S PRIMARY SCHOOL

SCHOOL CANTEEN MENU

TERM 4, 2017

OPEN EVERY WEDNESDAY AND FRIDAY

TRAFFIC LIGHT POLICY

At St Patrick's Primary School, the canteen adheres to the principles of the Star Choice Policy and the Traffic Light System. These guidelines are the minimum standards introduced through the State Government. The Catholic Education Commission has also issued a Healthy Food and Drink Policy to which all Catholic schools must adhere.

Green: These are everyday choices such as fruit, vegetables, breads and cereal foods, reduced fat dairy products, lean meats, water and small fruit juices.

Amber: These are limited choices such as full fat dairy foods, hotdogs made using registered frankfurts, sausages, registered hamburger patties, registered ice cream/icy poles and cakes/biscuits or muffins.

Red: Off the menu and not available items such as full fat pastry items, deep fried, sweet sandwich fillings including jam, nut spreads, honey, etc, high fat foods such as salami and polony, soft drinks, chocolate confectionery, sweet pastries. All highly processed items are not permitted.

BIRTHDAY ORDERS

It is common practice for families to provide a treat on their child's birthday. If you wish to give out an icy pole in the warmer months, we request that they be ordered through the canteen with a minimum one week's notice provided. This passes on savings to parents and our canteen benefits from the business as well.

VOLUNTEERS

Parents, why not volunteer to help out in the canteen once or twice a term? You do not need to stay all day, any time you can spare will be very much appreciated by our Canteen Manager, Jan Miller. If you are able to volunteer, please leave your details with administration staff.

While on canteen duty, please wear closed in shoes. Also, shirts or dresses worn need to have sleeves.
